

Swan Meadows – Neighborhood Project Office & Project Contacts

Neighborhood Project Office A physical office for the project engineer is being established within the Swan Meadows neighborhood at a location as yet to be determined. The office will provide a local point of contact for residents and support coordination among the project engineer, contractor, and City Staff.

Additional Information and Project Contacts Additional project information and a more detailed construction schedule are available through the City's designated project webpage or by contacting the City of Aberdeen.

Primary Project Point of Contact:

Parley Hess, P.E.

City of Aberdeen

Phone: (410) 322-9615

Email: phess@aberdeennmd.gov
