Exhibit "A"

Amendment #1

This Amendment ("Amendment") updates the Original Service Order ("Agreement") between **ClearGov, Inc ("ClearGov")** and **City of Beatrice** ("Customer") with an order date of **June 19, 2024**. This Amendment takes effect on the date last signed by both parties (the "Amendment Effective Date").

1. Product Substitution
Effective as of the Amendment Effective Date, the parties agree to modify the Scope of Services as follows:

- **Removal:** ClearGov shall cease providing, and Customer shall no longer have access to, ***ClearGov BCM Digital ACFR - Civic Edition.***
- **Addition:** ClearGov shall provide, and the Customer shall receive license to use, ***Data Connection: ERP*** (the "New Product").
- **Implementation:** ClearGov will provide the required services to migrate or set up the New Product as approved by both parties.

2. Fees and Compensation
Notwithstanding the change in products, the Annual Subscription Fees and Total Fees set forth in the original Agreement (or the most recent Service Order) shall **remain unchanged**. Customer's payment obligations remain in full force and effect based on the existing fee schedule. For clarity, the Annual Subscription Service Fee previously payable for ClearGov BCM Digital ACFR - Civic Edition shall apply to the New Product in its place on a one-for-one basis, including the annual rate increases set forth in the Agreement, and no additional set-up or implementation fees shall apply to the New Product.

3. Future ERP Changes
The New Product is scoped to integrate with the enterprise resource planning ("ERP") system in use by Customer as of the Amendment Effective Date. Any future upgrade, replacement, or other change to Customer's ERP system that requires ClearGov to modify, rebuild, or re-establish the data connection is outside the scope of this Amendment and shall require a separate Statement of Work or amendment, which may include additional fees.
