

Community Profile

Where Growth Meets Opportunity

CITY OF RAMSEY

The City of Ramsey, located in the northwest Twin Cities Metro area, offers a blend of urban and outdoor experiences. With an active downtown, abundant recreational opportunities, and a robust manufacturing sector, it emerges as a vibrant community.

For the past two decades, Ramsey has experienced strong and steady growth. It has over 300 acres of developable land conveniently situated near U.S. Highway 10. The strategic location supports its pro-economic development stance, evidenced by a history of successful business parks and downtown initiatives.

This profile highlights key aspects of Ramsey's development, the business climate, and quality of life, reflecting the city's commitment to fostering growth and building community.

Overview

- Bordered by the Mississippi and Rum Rivers, offering unique outdoor amenities
- Located along major transportation corridors: U.S. Highway 10, U.S. Highway 169, State Highway 47, and Northstar Commuter Rail.
- Manufacturing hub: 34% of businesses in Ramsey
- The COR, Ramsey's transit-oriented, urban downtown center, includes retail, commercial, housing and recreational opportunities.

RESIDENTIAL

The City of Ramsey is the second fastest-growing community in Anoka County. Residents are drawn to the diverse housing options, extensive local amenities, and convenient access to the Twin Cities, all while being connected to Minnesota's beautiful natural resources. U.S. Highway 10 has been upgraded to freeway standards, resulting in faster commutes into and out of Ramsey.

Residential Development Patterns

Average 218 new housing units annually.

2025	229 total housing units single-family 179, townhomes 50
2024	377 total housing units single-family 183, townhomes 61, apartments 133

- Northfork Meadows - 88 single-family homes by Lennar (2022)
- Lynwood - 137 single-family homes and attached/detached townhomes by Lennar (2022)

COMMERCIAL/INDUSTRIAL

The City of Ramsey is committed to being a pro-economic development community. This commitment is reflected in its successful history of developing industrial parks with new businesses and exemplified by existing businesses choosing to expand in Ramsey. The city emphasizes commercial and industrial growth through the City's strategic and comprehensive plans. These plans ensure that economic development remains a central focus for the community's future.

The cities of Ramsey and Anoka share a large business park spanning 1,000 acres. This business park includes office, warehouse, assembly, and manufacturing users and is home to 10,000 jobs.

Since 2020, over one million square feet of industrial building space and 400,000 square feet of commercial and retail space have been constructed. The Bunker Lake Industrial Park has experienced the most significant activity in recent years.

THE COR

The City of Ramsey's COR is an impressive 400+ acre transit-oriented and walkable urban development. Strategically located near U.S. Highways 10 & 169, it promotes accessibility and convenience. This mixed-use area features a blend of residential, retail, office, recreational spaces, and government facilities. The COR aims to create a cohesive community that supports sustainable living and economic growth, making it a key focal point for residents and visitors.

In 2009, the City of Ramsey acquired The COR to transform it into a vibrant urban center through a public/private partnership. Nearly 50 acres within The COR is available for development, with about 20 acres owned by the city. In addition, 40 acres next to The COR is designated for commercial and retail development, boosting growth potential and attracting new businesses. This makes The COR an exciting opportunity for developers and investors focused on community revitalization and growth.

Recent Major Activity
