Homeowner Affidavit to Apply for Electrical Permit

Name: _____

Address: _____

Phone: _____

In compliance with City Code 157 Sec. 8 Part g Sub. 7 this affidavit is filed for record. The owner of a single-family dwelling including the usual accessory buildings may perform electrical work in such dwelling or accessory building provided the following conditions are met.

1. **The dwelling/residence is or will be owner occupied and is not intended to be listed for sale or for rent.** Initial: _____
2. **The dwelling unit is a detached building and contains no other dwelling unit or occupancy.** Initial: _____
3. **There are no other buildings other than the dwelling and accessory buildings located on the property.** Initial: _____
4. **No more than one such permit has been issued to the same person in the previous 48 calendar months.** Initial: _____
5. **All work will be and shall be done by the homeowner. The homeowner hereby swears or affirms that the above answers are true and correct as he/she verily believes.** Initial: _____

Homeowner Signature: _____

Date: _____

NOTICE: Falsifying information on this application is a violation of City Code 157 and shall be cause for immediate revocation of the electrical permit. Other action as appropriate including but not limited to civil penalties, fines, and injunctive relief shall be available to the City of Elkhart in the event of such violations. **The homeowner must satisfy the Electrical Inspector by examination that they are qualified to perform electrical work.**
