

2026 Neighborhood Infrastructure Improvements Construction Update #14 – 8/28/2026

What has happened during the past week?

- Watermain and sanitary service improvements were completed along 4th Street.
- Storm Sewer improvements were completed along 4th Street.
- The necessary testing of the newly installed watermain along 4th Street has begun. - Once all the required testing on the newly installed watermain is completed, as early as Monday August 31st, we will begin switching residents from the temporary water system to the newly installed watermain. (Impacted residents have received an additional notice via door hanger)
- Excavation and preparation of road base on 4th Street began.

What is scheduled for the week of August 31st?

- As early as Monday August 31st, we will begin switching residents from the temporary water system to the newly installed watermain.
- Excavation and preparation of road base on 4th Street will continue. Curb installation is anticipated the week of September 8th.
- Final Boulevard grading and clean-up along Pleasant Drive will continue.

Important Notes

- **The intersection of Pleasant Drive and 4th Street is now open to local residents only.**
- Please do not touch the installed wooden stakes, as they are critical for construction.
- Please refrain from parking on streets under construction from 7 AM to 7 PM
