The Basics of The Game

- Disc golf is very similar to traditional golf.
- On each hole, start by throwing from the tee area.
- Play the disc where it lies, and make your putt by throwing the disc into the basket.
- Add up your score from each hole, the lowest total score wins!

Courtesy and Etiquette

- Pedestrians have the right of way.
- Be still and quiet when players near you are throwing.
- Wait for the group ahead of you to finish the hole and clear out before throwing.
- Place found discs into the lost disc return box.

- No smoking.
- Pack out all litter, or dispose of it at the trash can by the lost disc return box.
