Lehi City Emergency Training Notice

Lehi City will be conducting a coordinated first responder training exercise at Family Park today, Tuesday, November 3, and tomorrow, Wednesday, November 4, from noon to 5 p.m.

The exercise will involve realistic training scenarios and special effects. Residents and businesses in the surrounding area may hear loud noises and may also see individuals acting out simulated emergency scenes. Please be aware that these sounds and activities are part of the scheduled training exercise and are not an indication of an actual emergency.

Road and Area Closures

- **Family Park:** Entry to Family Park will be closed and prohibited to the public throughout both days of the training exercise.
- **600 East:** 600 East will be closed between Airport Drive and North 300 East. This includes the intersections of **600 East and Airport Drive** and **600 East and North 300 East** (see map below).

Please avoid the training area and use alternate routes. Access to closed areas will be restricted during the exercise.

Lehi City Police, Fire & EMS, and Communications personnel are participating in this training to strengthen coordination and preparedness during emergency situations.

We appreciate the community's understanding and cooperation as our first responders train to keep Lehi safe.

If you have any questions, please contact our Information Center at 385-201-1000.
