Proposals may be submitted to Meridian Township, Office of the Clerk, 5151 Marsh Road, Okemos, MI 48864. Furnish the original proposal in an envelope with the company name. Bids may also be submitted electronically at bids@meridian.mi.us. Provide the following on the outside of the envelope or in the subject line if submitting electronically:

“PROPOSAL – Cricket Batting Cage Construction & Installation”

APPENDIX A

The location of the cricket batting cage will be at Towner Road Park (2055 Towner Rd., Haslett, MI 48840). The site location is proposed north of the baseball fields and west of the pickleball courts. The exact location will be determined during site visit prior to installation.

The dimensions are denoted on the photo.

Concrete Pad: 87x28 feet

Cage: 72x24x12 (two adjacent bays)

APPENDIX B

Contractor to use cricket-specific synthetic playing mat/pitch system suitable for batting, bowling, wicket practice and repeated use of cricket balls.

An example of a manufacturer that provides such materials can be found at Net World Sports or equivalent:

Professional Multi-Bay Steel Cricket Cage

Dimensions:	72x12x24 (two bays, 12 feet wide each)
Galvanized Steel Post Thickness:	48mm (including galvanized key clamp corner brackets and ground sockets required to be concreted in place)
Net:	Knotted 2mm thick, 48mm mesh
