**Meridian Township Parks & Recreation to Hold Three Public Input Sessions**  
*Sessions Will Allow Community Members to Provide Input on the Department's 5-Year Plan*

**Meridian Township, MI** – Every five years, the Meridian Township Parks and Recreation Department develops a Master Plan that establishes goals and priorities to guide department decisions over the next five years. Part of this process involves gathering public input.

Three public input sessions will be held throughout the summer for anyone who would like to share their input. All three sessions will be held at **6:00 pm** on the following days:

- **Thursday, July 9** at Central Park Pavilion (5151 Marsh Road, Okemos)
- **Thursday, July 30** at Harris Nature Center (3998 Van Atta Road, Okemos)
- **Thursday, August 13** at Towner Road Park (2055 Towner Road, Haslett)

Community members are also asked to complete a community survey. All responses will remain anonymous and will help shape the future of Meridian Township's parks, facilities, and special events.

The survey can be found at the following link: <https://www.surveymonkey.com/r/WC2V5HS>.

More information about the public input sessions can be found at [meridian.mi.us/events](https://meridian.mi.us/events). For questions, please contact Parks and Recreation Director Courtney Wisinski at [wisinski@meridian.mi.us](mailto:wisinski@meridian.mi.us) or 517.853.4604.

###

The community of Meridian Township is in close proximity to the Michigan State Capitol and Michigan State University. The Township serves the community through exceptional services, beneficial amenities and an outstanding quality of life. It is a welcoming community that celebrates quality education, recreation and lifestyles.
