Friends of Historic Meridian Awarded Michigan History Alliance Grant
Funding Will Allow Digitization of 4,000+ Artifacts

Meridian Township, MI – The Friends of Historic Meridian (FHM) were awarded the Michigan History Alliance Grant from the Historical Society of Michigan.

This funding will allow the Friends to take inventory of and digitize over 4,000 artifacts housed at the Meridian Historical Village.

“Receiving this grant through the Historical Society of Michigan enables us to purchase the necessary computer and software to create the framework for developing digital collection records. We could not undertake this important project without this grant opportunity,” stated Holly Cordill, Executive Director of the Friends of Historic Meridian.

FHM are also seeking volunteers to assist with the digitization project. Interested volunteers can call the Meridian Historical Village at 517.347.7300 or email info@meridianhistoricalvillage.org.

Founded in 1974, the Friends of Historic Meridian is a 501(c)(3) with a mission to create and sustain an active appreciation of local history. They also operate the eight historic buildings that make up the Meridian Historical Village.
