Deputy Drain Commissioner Pratt informed the committee that bond for the project was issued for \$733,000. He also stated that he didn't know the status of the state of Michigan's grant but will follow up with County Controller Greg Todd. He also noted that errors in the SAD roll will likely be handled by having the Township and the County absorb the additional costs, and/or by using the contingency amount if there was any money left.

Park Manager Emens didn't attend the meeting but emailed a summary of his April activities, which Younes shared with the committee.
