Memorandum

Date: Thursday, September 18, 2025

Mr. Michael Griffin, Town Manager &
Town Council Members
7920 Broadway Ave
Merrillville, Indiana 46410

Re: Water Tanker

Dear Mr. Griffin & Town Council

To continue important tasks assigned to the Street department, such as Crack Sealing and De-Icing operations, the Street Department will need to purchase a new water tanker. Our current tanker has outlived its lifespan and is no longer safely operational. Understandably, this is a large purchase, but to significantly reduce costs, we would like to purchase a system that will allow us to utilize an existing truck that we already have within our inventory to install the new tanker on, as opposed to purchasing a completely new truck with a tank. The purchase cost will be $33,000.00. Funds will be appropriated and will be used out of the MV Restricted/Other equipment line if approved. Thank you for your consideration of my request.

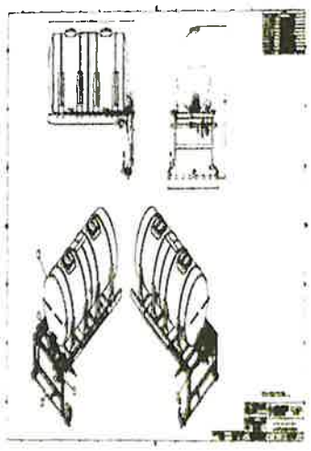

Thank you

Sincerely,

Steve King
Engineering Administrator
Director, Merrillville Street Department

W.A. Jones

It was moved by Councilor Uzelac and seconded by Councilor Pettit to approve the consent agenda.
