

WESTFIELD CONSERVATION CENTER

Non-Resident Permit Fees

Permit and disposal fee overview

Organic Waste Permit - \$120 per year

This annual permit allows non-residents to dispose of accepted organic yard waste, including grass, twigs, shrubs, branches, and small logs.

Recycling Permit - \$35 per year

This annual permit allows non-residents to use the Conservation Center for accepted recyclable materials.

Combined Recycling & Organic Waste Permit - \$145 per year

This annual permit includes both recycling drop-off and organic yard waste disposal.

Bulk Waste - Single-Use Permit

Bulk waste permits are purchased per load. The fee is based on the type and size of vehicle:

- Passenger Vehicle - \$60 per load
- SUV - \$80 per load
- Pickup Truck - \$100 per load

Additional charges may apply depending on the volume of material being disposed of.

Mattress & Box Spring Disposal - \$35 per item

A single-use permit is required for each mattress or box spring being disposed of.

Important Permit Information

- Annual permits are valid for one year/season, while bulk waste permits are based on each individual load.
- Permits must be purchased online and are not sold at the Conservation Center.
- Residents should review Westfield's current Conservation Center rules for accepted materials, hours of operation, and any updated fees before visiting.
