Mountainside Ordinance Article 13, Section 1302, defines Tree as: Any living woody perennial plant having a diameter greater than twelve (12) inches at a point four and one-half (4.5) feet above ground level.

Article 13, Section 1304 states: A person desiring to remove or destroy more than four trees within a 12-month period shall apply to the Borough of Mountainside for a permit to remove such trees. A **permit fee of \$50** and by a sketch containing the following:

- A description of the premises upon which the tree removal is to take place, such as a copy of the current survey
- Proposal for replacing any destroyed or removed trees which shall include one or more of the following measures: replacement of such trees on the property where they were destroyed or removed or on another property in the Borough of Mountainside with a minimum tree caliper of 1.5' for each tree removed within 6 months or, if such replacement is not possible, then a payment in the amount of **\$100** for each tree removed shall be deposited to the Borough Tree Fund
- Size of the lot
- The identity of and number of trees to be removed, depicting those $\geq 12'$ and those $\leq 12'$ in diameter
- The purpose of the removal of trees
- The location of all streams on lot of adjacent properties
- Attach sketch/survey to application
