ENERGY EFFICIENT LED HOLIDAY LIGHTS OR DECORATIONS REBATE CHECKLIST

Use this checklist to make sure you have completed the necessary steps to receive your rebates:

☐ 1. Read the following terms and conditions to determine if you are eligible for a rebate:

- Only one installation address per application.
- Rebates are intended for customers, not contractors or builders.
- Rebates $500 or less will be issued as a bill credit to your account. Rebates will not exceed the purchase price. Rochester Public Utilities (RPU) reserves the right to apply rebates to past due accounts.
- To qualify for an electric rebate, LED holiday lights or decorations must be connected to an active electric service supplied by RPU and is subject to inspection.
- Purchase new LED holiday plug-in (not battery or solar operated) lights and decorations. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
- Rebate is limited to 50% of LED string or package cost, tax excluded, up to maximum amounts listed:

Number of Lamps	Maximum Rebate per String
less than 99	$3.00
100 – 199	$6.00
200 – 299	$9.00
300 or more	$12.00

- Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (by December 31,2026) must be received by March 31, 2027.
- Rebates can only be offered on equipment that is installed while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items installed between the discontinued date and the end of that year.

☐ 2. Complete the rebate form, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.

☐ 3. Include original sales receipt and packaging clearly labeled as LED and showing the number of lights per string (one package per type).

☐ 4. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.

☐ 5. Submit completed form and required documentation to RPU:
