

Green Halo Systems

Contractor User Guide - Creating an Account

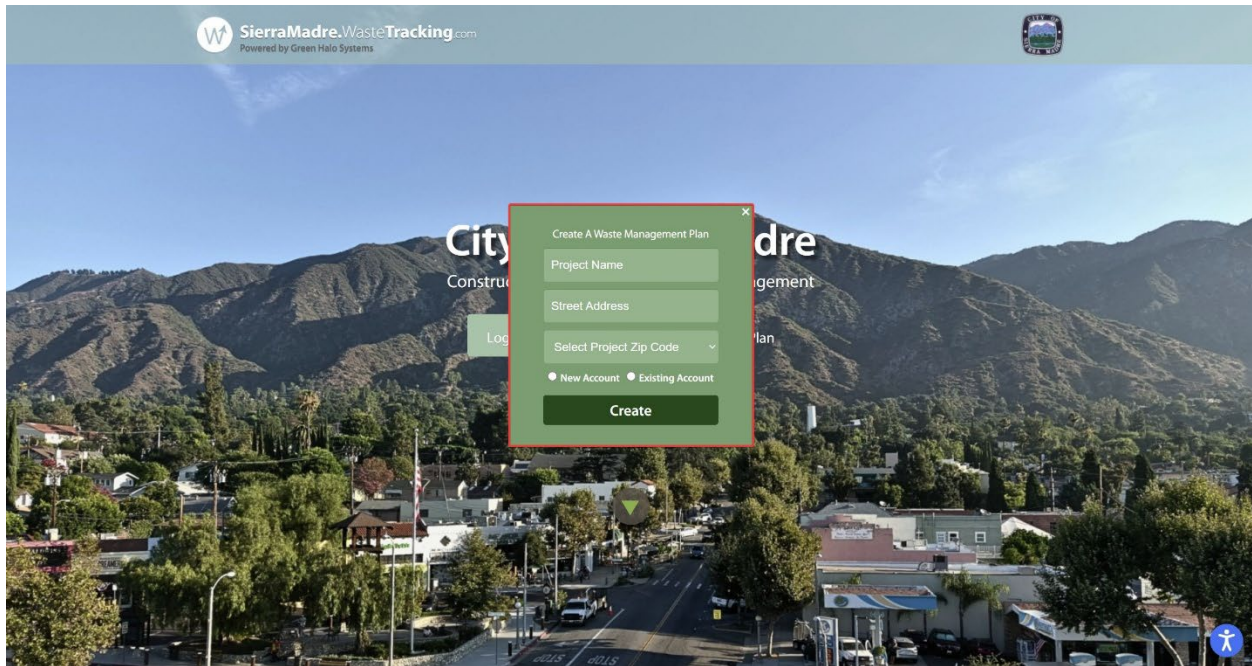

Step 1. Go to <http://sierramadre.wastetracking.com/> and click the “Create Your Debris Recovery Plan” button.

Step 2. Fill in your Project Name and Street Address for your project. Then select either New Account if this is your first time using Green Halo or Existing Account if you already have a Green Halo account. Then click on “Create”.

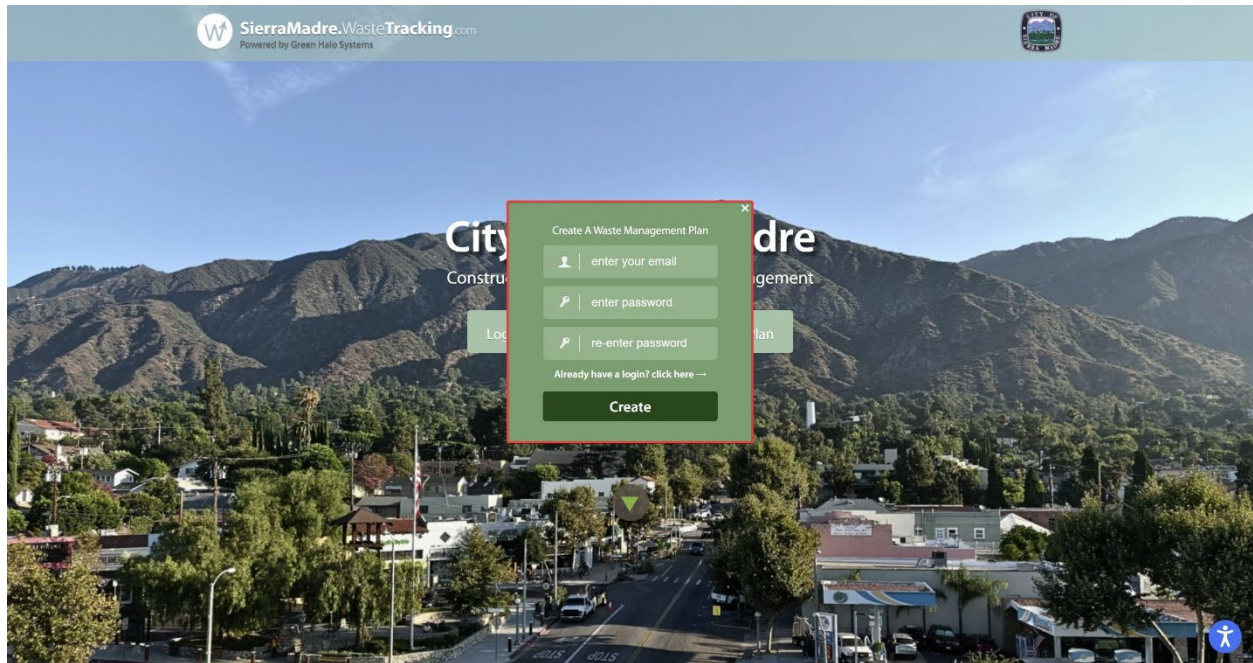

The screenshot shows the Sierra Madre Waste Tracking website. The header includes the logo 'SierraMadre.WasteTracking.com' and 'Powered by Green Halo Systems'. The background is a scenic view of Sierra Madre, California, with mountains and a town. A green overlay form titled 'Create A Waste Management Plan' is centered on the screen. The form contains the following fields: 'Project Name', 'Street Address', and 'Select Project Zip Code' (a dropdown menu). Below these fields are two radio buttons: 'New Account' (selected) and 'Existing Account'. At the bottom of the form is a green 'Create' button. A green arrow points to the 'Create' button.

Note: For Existing Account users, after you enter your Project Name and Street Address, you can proceed to login to your account and SKIP STEPS 3-7 below.

Step 3. Enter your email and confirm your password, and then click “Create.” This will start your Waste Management Plan setup.

The screenshot shows the Sierra Madre Waste Tracking website. The header includes the logo "SierraMadre.WasteTracking.com" and "Powered by Green Halo Systems". The main content area features a large background image of a town with mountains in the background. Overlaid on this is a green form titled "Create A Waste Management Plan". The form contains three input fields: "enter your email", "enter password", and "re-enter password". Below these fields is a link that says "Already have a login? click here →" and a green "Create" button. A red box highlights the form, and a green arrow points to the "Create" button.

Step 4. By default, the FREE Project Tracker account is selected. Click “Next Step” to continue.

The screenshot displays the 'Create Your Account' interface. At the top, a progress bar shows four steps: 1. SELECT PLAN (active), 2. ENTER COMPANY INFO, 3. ENTER PAYMENT INFO, and 4. CONFIRM & SUBMIT. Below the progress bar, there is a 'BACK' button on the left and a 'NEXT STEP' button on the right. The main content area is titled 'Please select your plan' with a subtitle '4 Month Minimum Subscription'. It features four plan options, each with a green globe icon and a radio button below it. The 'FREE' plan is highlighted with a red border and has its radio button selected. The other plans are PREMIUM (\$29), PRO (\$129), and ENTERPRISE (\$329). Each plan includes a price and a note about additional costs per active project.

Plan	Price	Additional Cost
FREE	FREE	None
PREMIUM	\$29	+\$24 for each active project
PRO	\$129	+\$19 for each active project
ENTERPRISE	\$329	+\$15 for each active project

Note: The FREE Project Tracker account allows you to create unlimited Waste Management Plans and upload unlimited weight tickets. This account can handle small to large projects. If needed, there are other account types suited more for LEED projects and more advanced reporting.
