CHAMPION

If winner of Game 15 ↑ loses Game 18 then:

Championship Play Rules:

1. Double Elimination will consist of single games to 25 points (Teams must win by two or more points or the first team to 30 points), except for semifinal and championship rounds where matches will be played using the best 2 out of 3 games (The first two games will be to 25 points, with the third game, if necessary, to be played to 15. All semifinal and championship matches/games will be played straight up with no 2-point margin of victory in effect.).
2. Teams that have a Bye in the first round of Championship play must referee the first round games.
3. When teams are eliminated from the tournament, they must stay and referee the next game/match.
