CITY CONNECT

Daupler Notify has Gone Live

Daupler Notify is now live! This free alert system keeps you informed about water and sewer service interruptions, repair progress, and estimated restoration times. You choose how and when to be contacted, by cell or landline. You don't need a utilites account to sign up, but it is better to register by calling the Water Department at (575) 894-7331. This way you can link your account to your notification settings. You can also scan the QR code to the right. Stay informed and in the know!

Pershing Street Improvements in Planning

The City of Truth or Consequences is planning practical upgrades to Pershing Street through the Municipal Arterial Program (MAP), including resurfaced pavement, improved sidewalks, and better drainage. While the work may not be flashy, it's part of a coordinated effort to improve safety and accessibility in the area. To see photos and learn more about what's happening and what's next, visit **City Blueprint: Pershing Project** page on our website.

City Street Concert this September 27th

Get ready for the second city-sponsored and MainStreet Truth or Consequences hosted FREE and alcohol-free street concert. It's happening Saturday, September 27th at 6PM! Tequila Nights will kick off the evening, followed by The Consequences taking the stage at 8PM. Join us at Healing Waters Plaza—located between Foch and Daniels on McAdoo—for a night of music, dancing, delicious food from local trucks, and community connection. Last time was such a blast, and we're hoping to see even more of our neighbors this time around. Don't miss it!

5th Annual SVH 5K Walk-Run on October 11th

The Sierra Vista Hospital is accepting registrations for this year's event to benefit Sierra County Cancer Assistance and to provide 3D mammograms. This one is extra special because you get to run or walk across the Elephant Butte Dam! We will be posting more information and a QR code on our social media and website. Please consider joining this fun and worthy event.

VOTE FOR FREE CONCERTS. Text "TorC" to 877-409-5525 by the 15th!
