CITY CONNECT

Foch Street Project Update

Construction on the Foch Street Project has not yet started, but preparations are moving forward. Pluma is working closely with architects on submittals, request for information (RFI), and permits, and plans to begin staging equipment off-site the week of December 22nd. The Assistant City Manager is coordinating with the Solid Waste Department on potential trash service changes for businesses that may be affected during construction. More details will be shared as plans are finalized.

Light Up the Holidays with Holiday Steer & Cheer!

Take a sparkling tour of Truth or Consequences! Our annual Holiday Steer & Cheer Map features homes decked out in holiday lights. Explore the map now at **torcnm.gov/lights**, and if you'd like to join the fun, submit your decorated home through the web form. Once verified, your address will be added to the map for everyone to enjoy.

How the Water Department Tackles Challenges Head-On

From meter readings to leak repairs and innovative solutions, our Water Department works tirelessly behind the scenes. Read the full story and learn how the team is tackling challenges head-on. Visit the news section at **torcnm.gov** for the complete article.

Notice of Early Closure for Staff Training

On Friday, December 12th, all City offices will close at 12:00 noon for a mandatory staff training session. This training is designed to strengthen team unity and enhance the quality of services we provide to our community. Police services will remain available, and utility departments will be on call for any emergencies during this time. Thank you for your understanding and support as we work to better serve you.

.gov Transition is Complete

City webpages and now the city staff and elected officials will be using email addresses that end in torcnm.gov. The prefixes of a select few addresses were changed to match the first initial-last name format. Currently the .org will still get the information to the correct location or inbox, but we encourage you to make the change in your address books and bookmarks. Thank you.

O'Christmas Tree!

The City has purchased a beautiful new Christmas tree to make this year's holiday celebration extra special. To learn more about the tree, visit the news section at torcnm.gov.
