Date: November 19, 2026
Time: 4:30pm – 5:30pm
Location: Albert Lyon Event Center -2953 S. Broadway

These improvements are intended to better convey floodwaters and help protect residents, property, and public infrastructure.

Meeting topics will include:

- A refresher on the project's background, purpose, and planned work.
- Updated information on construction activities, anticipated timing, and next steps.
- Potential construction impacts and what nearby residents and property owners can expect.
- An opportunity for public questions, comments, and concerns.
