Wonders on Wheels Rolls into T or C Library!

Wednesday, October 29 | Noon–3:00 p.m.
Get ready for a museum experience on wheels! The Wonders on Wheels Mobile Museum is coming to the Truth or Consequences Public Library on October 29, bringing a hands-on, family-friendly exhibit right to our community.

Operated by the New Mexico Department of Cultural Affairs, Wonders on Wheels (WoW) is a 38-foot RV transformed into a traveling museum. Inside, you'll find 300 square feet of interactive exhibits featuring history, art, science, and culture—curated from one of the state's eight historic sites. This year's exhibit, Eight Sites, One History, invites visitors to explore New Mexico's rich past, from ancient Indigenous communities to Spanish settlers and beyond. All ages are welcome, and admission is free. Don't miss this chance to experience the magic of museums, without leaving town!

City Commission Election Set for November 4

The City will hold its municipal election, via the Sierra County Clerk's Office, on Tuesday, November 4, from 7 a.m. to 7 p.m. at the Civic Center. Two City Commission seats are open, with six candidates and one write-in running. The election is at-large, meaning the top two vote-getters will be elected.

Early and absentee voting begins October 7 at the County Clerk's Office, 1712 N. Date Street, during regular hours (8 a.m. to 5 p.m.). The last day for early voting is Saturday, November 1, from 10 a.m. to 6 p.m. at the same location.

Newly elected commissioners will take office on January 1, 2026, with their oath administered at the first City Commission meeting of the year.

Love's Travel Center Project Advances in Truth or Consequences

The City Commission has unanimously approved a Local Economic Development Act (LEDA) agreement with Love's Travel Stops, paving the way for a new location in T or C. The city will support utility installation and offer rebates and fee waivers in exchange for infrastructure improvements and a commitment to create at least eight full-time jobs. Love's has already begun work on road and water line upgrades, marking a major step forward in the project.
