Breaking Ground in Unity: Foch Street Pre-Construction Begins

The Foch Street pre-construction meeting was held on September 15, bringing together representatives from Pluma Construction, Pland Collaborative, Isaacson & Arfman, NMDOT, the City and MainStreet Truth or Consequences for an initial agenda planning session. A line of communication was established among all parties, with a general, anticipated project start date of November 10th. The construction is expected to span 180 days, with final completion slated for 210 days. NMDOT provided detailed guidance on the final sign-off process for ADA-compliant ramps, emphasizing that ramp angles must meet specific standards for inspection approval. They also noted that corrective striping will be completed simultaneously, requiring careful coordination. For full context, please refer to the Road Diet program plan available at https://torcnm.org/resident/road_diet/index.php and visit the MainStreet Foch Street page at https://www.torcmainstreet.org/mainstreet-makeover.

Truth or Consequences Prepares for .GOV Domain Transition

The City of Truth or Consequences is taking proactive steps to transition our official website and email communications to a .gov domain, a move that reflects our commitment to transparency, security, and public trust.

While the new domain is not yet live, we want to assure residents and visitors that there will be no disruption to online services. Our current .org domain will automatically redirect to the new .gov address once launched, ensuring seamless access to city information and resources.

Read why this City is making this move at torcnm.org and look for the news article section.

City Hosts a Palm Tree Expert to Discuss Transplant Options

On Friday, September 12th, the Mayor, City Manager, and representatives from the Streets and Electric Departments met with a palm tree expert to discuss a transplant option for a tree on McAdoo that must give way to the new electric vehicle charging station. The Mayor has thoughtfully explored all possible positive outcomes for the tree's legacy and impact. For full details, please visit the article on our city webpage.

Thank You to Our City Employee Volunteers

The City of Truth or Consequences extends its deepest gratitude to the city employees who generously gave their personal time, energy, creativity to help make this year's Fall Fiesta a resounding success. Even the weather couldn't dampen the spirit. For three days, Truth or Consequences danced in the rain and celebrated with pride, connection, and some truly unforgettable local music. Thank you for showing up, not just as employees, but as neighbors and champions of community joy.
