To: Town Board
From: Planning Board
Date: October 22, 2026
Subject: Town Board Referral
3000 Navajo Street
6.14-1-2

The Planning Board, at its meeting on October 19, 2026, discussed the subject referral for an MS4 Stormwater Management and Wetland Permit for the installation of artificial turf over an existing natural grass sports field. The Planning Board respectfully requests more time to review the subject referral, as the applicant provided the Board with additional material at its meeting on October 19, 2026.

Respectfully submitted,

Ian P. Richey
Town Planner
