

The Great Fall Clean-Up

Saturday, November 21st

Individuals, groups, & organizations welcome!
Orange bags, vests, & *litter grabbers provided
*while supplies last

Keeping your neighborhood clean by picking up litter is not limited to Earth Day.
Join in on the effort to keep Yorktown clean & green by volunteering to pick up roadside
litter on Saturday, November 21st.

Call the Refuse & Recycling Department (914) 245-4438 to register where your group will
be picking up roadside litter, and then come into the Refuse & Recycling Office (behind the
Police Station) for supplies. Please note that it is important to register so the R&R crews
know where to collect and dispose of the filled orange litter bags.
