Thunder Ridge Ski Area is looking forward to your participation in our seasonal lesson program. This year, we will be collecting online *electronic* registrations and *electronic* lesson and rental waivers for each participant. An electronic waiver is required for any lesson participant and equipment rental at the time of selection.

Registration will open on November 4th at 10am. Each individual must register for the seasonal lessons by December 9, 2026 or until the programs sell out. *Each participant on the snow needs a lift ticket or season pass and equipment.* We rent equipment if needed. Equipment Rentals includes skis, boots and poles or snowboard and boots. We do not rent helmets.

Payment will be provided to Thunder Ridge directly via online registration. All registrations must be made online by December 9, 2026.

You will be able to access classes through our website specific, password protected, Parks and Recreation page via QR code or website link provided below.

Once you select a program and add it to your cart, you will be able to add the coupon code you received from your Parks & Recreation Department at the bottom next to the total. Keep in mind, if you are registering 2 students, *you will need 2 coupon codes* – it is one code per registrant and is a one-time use only. Follow the prompts to check out and complete the registration process.

*****Please be aware that due to the way the Christmas break holiday falls, and the start of seasonal programs, all weekend programs WILL run into President's Weekend. Any programs that are postponed by Thunder Ridge for any reason WILL run into President's Week. Please consider your schedule BEFORE you sign up for the program.
